Re-Metallized Aluminum Bond Pad, and Method for Making The Same
{6,506,672}

Intermodal Phase Difference Controller for Beam Angle Modulation in Index Guided Devices
{6,404,793}

Optical Fiber Feedthrough
{6,292,615}

Intermodal Phase Difference Controller for Beam Angle Modulation in Index Guided Devices
{6,169,757}

Controlled Solder Interdiffusion for High Power Semiconductor Laser Diode Die Bonding
{6,027,957}

Interrogation Signal Processor for Air Traffic Control Communications
{5,089,822}
